# Chapstick Keychain

Supplies:

- Sewing machine
- Coordinating thread
- 1 1/2" wide ribbon (you will need 9" to make one)
- 1 1/2" swivel/snap hook
- scissors
- clips/pins
- chapstick :)

1 . Cut a 9" long piece of ribbon.

2. Fold over (1) of the raw edges 1/2" and sew.

3. Insert the raw edge into the swivel hook and fold over so that the wrong sides of the ribbon are facing each other when you fold it over. Fold the raw edge 1/2" and then fold it another 2".

4. Fold the sewn edge over the folds you just created and clip it into place.

5. Sew using a 1/8" seam allowance on both edges to secure.

6. Sew along the edge of the swivel hook on the top to finish.

7. Add your chapstick and attach it to your backpack, purse, or lanyard!
